

Submission of Contract Data with Non-Profit Organizations (NPO)

It's that time again. The Department of Audits and Accounts is compiling a listing of all contracts initiated and contract payments to non-profit organizations made between July 1, 2024, and June 30, 2025. This information will be included in the Report of State Organization Contracts with Non-Profit Organizations for the year ending June 30, 2025.

The Report of State Organization Contracts with Non-Profit Organizations will indicate which state entities and any administratively attached state organizations did not comply with O.C.G.A. §50-20-5. The report will be provided to the General Assembly in late 2025 for the 2026 session.

To summarize the information before presenting it to the General Assembly, we request that you submit your NPO information no later than **September 19, 2025**. For more details, please access the Contract Data Submission Memo to State Agencies located on the DOAA website under Non-Profit Resources Submissions.

What else do I need to know?

- The deadline to submit your NPO information is **September 19, 2025**, and the system will close on October 28, 2025.
- You can access the NPO Contract Data Submission Guidelines located on the DOAA website in the [Non-Profit Resources Technical Assistance section](#).
- You can access the File Layout for Contract Submission in NPO System located on the DOAA website in the [Non-Profit Resources Technical Assistance section](#).
- For questions or concerns, please [click here to send an email to our NPO section](#).
